9 April 2026

MEMORANDUM FOR JOINT BASE LANGLEY-EUSTIS PERSONNEL

FROM: 633 ABW/CC

SUBJECT: JBLE's Annual "Take Your Kid to Work" Day

1. In recognition of April as the Month of the Military Child, Joint Base Langley-Eustis (JBLE) will host its Annual - Take Your Kid to Work Day event on 23 April 2026. The event aims to provide military affiliated children (dependents of Active-Duty Service Members, Reserve, DoD Civilian, Military Contractor, and/or Base Access) with a unique opportunity to experience their parents' work environments and explore potential career paths. Children will be offered the chance to engage in hands-on activities, interact with professionals, and gain a better understanding of the diverse roles and responsibilities within the military community.
2. Our local school districts value this opportunity and have agreed to support student participation as excused absences. I've attached the necessary form each school will need to document your child's participation in the event.
3. I hope you will consider participating in this special event as we celebrate our military-connected children. If you have any questions or need additional information, please contact our Take Your Kid to Work Day project leads: Capt Sheyla Lopez (sheyla.lopez@us.af.mil) or MSgt Samantha La Boy (samantha.la_boy@us.af.mil).
