

ABOUT US

Located at the U.S. Army base Fort Eustis, our course boasts stunning tree-lined fairways, strategically placed water hazards, and well-positioned bunkers, offering one of the most challenging championship golf experiences in the Newport News, Virginia area.

Open to everyone—military personnel, civilians, and retirees alike—our course offers exceptional value through our Annual Greens Fee membership. This membership grants unlimited greens fees at a monthly cost that's significantly below industry standards. Members also enjoy discounted cart fees, savings on pro shop merchandise, and more. However, you don't need to be a member to appreciate the beauty of The Pines! With affordable daily fee rates, everyone is welcome to experience all that our course has to offer.
